

ESPANOLA REGIONAL HOSPITAL AND HEALTH CENTRE

Part Time and or Full Time Diagnostic Medical Sonographer

We are currently looking for a Cardiac Sonographer. Reporting directly to the Manager of Diagnostic Imaging, the successful candidate is a highly motivated individual who demonstrates superior technical abilities combined with exceptional problem solving and interpersonal skills. The sonographer provides ultrasound services in accordance with the Standards of Practice for Diagnostic Medical Sonographers and the Vision and Mission of the Espanola Regional Hospital & Health Centre.

The successful candidate will foster and support a team environment to ensure the attainment of our organization objectives and will act as a role model for all staff and promote the reputation of the facility in the community.

Qualifications:

- Must be registered with the College of Medical Radiation and Imaging Technologist as a diagnostic medical sonographer (DMS) specialized in cardiac imaging.
- Registration in other specialties with the CMRITO as a DMS or Radiology is an asset.
- Experience in contrast and stress echocardiograms is an asset.
- Excellent communication and interpersonal skills
- Bilingualism in French and English will be considered an asset

The successful candidate will be part of a small positive team environment and will be a key player in helping grow and develop our cardiac services.

To apply in confidence, please forward your resume together with a cover letter outlining your relevant experience and qualifications to:
