Social Worker – Patient Navigator

We are currently recruiting for a full-time Social Worker – Patient Navigator to support our acute inpatient unit and emergency department. This role will be responsible for the effective delivery of social work services to the clients of the Espanola Regional Hospital and Health Center (ERHHC) in accordance with ERHHC policies and procedures, professional college standards, pertinent legislation and Ministry of Health and Long-Term Care (MOHLTC) Standards.

The successful candidate will play an integral role in the development, implementation, and adoption of both clinical and non-clinical health care programs to support system capacity by fostering leading practices and improvement strategies to coordinate complex high intensity care needs in hospital and facilitate community connections.

The Espanola Regional Hospital and Health Centre is an equal opportunity employer committed to inclusive, barrier-free recruitment and selection processes. If contacted for an employment opportunity, please advise if you require accommodation.

Thank you for your interest. Only applicants who have been selected for an interview will be contacted. This position will remain open until filled.

Qualifications:

1. Bachelor of Social Work Degree from an accredited University
2. Must be a member in good standing with the Ontario College of Social Workers and Social Service Workers.
3. Able to work independently with limited supervision.

4. Demonstrate effective leadership and interpersonal skills.
5. Must be innovative, reliable and demonstrate initiative.
6. Computer proficiency, including use of Microsoft Outlook, Microsoft Word, Excel, and PowerPoint
7. Must have good organizational skills.

Preferred qualifications:

8. Recent clinical experience in the area(s) of acute care and emergency care
9. Familiarity with First Nations health issues
10. Bilingual in French and English

Position Summary:

This role will also focus on the High Intensity Needs Patient Population that are transitioning from hospital to home and Mental Health/Addictions patients accessing care at ERHHC. Role will identify workflow efficiencies, standards of care and best practices as we advance our clinical systems to meet patients' needs in a rural health care environment. They will liaise with community partners to develop services and programs that meet the needs of the community and improve patient care, service delivery and coordination.

Reporting directly to Senior Management, the Program lead is a highly motivated individual who demonstrates exceptional problem solving, process improvement and complex program development and management skills combined with technical knowledge within the electronic health record environment.

Benefits:

This position offers a competitive compensation package including paid vacation and sick leave, health and dental benefits, life insurance and pension plan. Starting wage is \$37.66 to \$42.39 depending on experience.
