Diagnostic Imaging Manager

We are currently looking for a permanent full-time Diagnostic Imaging Manager. The successful candidate will be responsible for coordinating, evaluating, and improving all departmental functions to ensure the provision of efficient, reliable, and comprehensive cardiology, radiology and ultrasound services. The Diagnostic Imaging Department provides the following services: ECG, holter, exercise stress testing, echocardiography, ultrasound Xray and Fluoroscopy.

In addition, the successful candidate will foster and support a team environment to ensure the attainment of our organizational objectives and will act as a role model for all staff to promote the reputation of the facility in the community. This will be accomplished through active employee involvement, training and development, continuous quality improvement, and commitment to compliance with policies, and procedures. The candidate will also ensure adherence to the applicable governing legislation including, the Medical Radiation and Imaging Technology Act, 2017 (*MRIT Act*), the Regulated Health Professions Act, 1991 (*RHPA*), and the *Healing Arts Radiation Protection Act (HARP Act)*.

The Espanola Regional Hospital and Health Centre is an equal opportunity employer committed to inclusive, barrier-free recruitment and selection processes. If contacted for an employment opportunity, please advise if you require an accommodation.
