**WELCOME**

---

## **Welcome to Queensway Place!**

Queensway Place is a non-smoking, pet free, seniors living residence, comprised of 18 rooms. It provides the freedom of having your own apartment but with some non-medical support services. These non-medical support services include congregate dining, cleaning, laundry and if required, medication cueing.

The convenience of our location is one of our selling points. We are connected to the Espanola Non-Profit Housing Apartments, the Espanola Regional Hospital and Health Centre, and the Espanola Area Family Health Team. This allows access to some of the services offered by these businesses such as:

- Family Physicians
- Emergency Room
- Pharmacy
- ATM
- Chapel Service
- Hairdresser
- Senior's Drop in Centre

The Senior's Drop In Centre offers various activities including exercise, bingo and cards, among other things.

It is important to note that Queensway Place does not offer health services as the staff that work there are non-regulated health professionals. They are the Environmental Service staff from the Espanola Regional Hospital and Health Centre.

There will be a staff member on site between the hours of 7:00am and 11:00pm that will serve the meals and perform housekeeping and laundry duties. The staff can be reached at (705) 869-1420 Ext 3079.

Our goal is to provide friendly, efficient service and a comfortable environment, while maintaining tenant independence and quality of life.

I hope that you enjoy your new home. If you have any questions that are not covered in this handbook, please call Angie Brunetti, Queensway Place Manager.

Please keep this handbook for reference. From time to time, we will send inserts if there are changes or updates.

Respectfully,

[Angie Brunetti MRT\(T\)](#)

## LEASE AGREEMENT

Your rent is divided into two portions. One covers the accommodations and is called the Rent fee. The other covers the non-medical support services provided at Queensway Place. Schedule A of the agreement will have the breakdown of the fees and the services they cover.

Here are some, but not all the expectations of the tenant, that you agreed to when you signed your lease:

- Rent is to be paid on the first of the month
- Only the people listed on your lease can live in the unit, unless you have written permission from the Manager.
- There are no pets allowed due to allergies.
- There is no smoking allowed in the building or on the property.
- You are responsible for the actions of your guests.
- You should inform the staff or manager immediately of anything in the unit that needs repair.
- Respect the quiet enjoyment of the other tenants living in the building. Unnecessary noise or actions that interfere with other tenant's enjoyment of Queensway Place is not allowed (e.g. loud music or television, foul language, yelling, etc.)
- Pleasant and courteous conduct toward staff and other tenants.
- Quiet time is between 10:00pm and 7:00am.
- One (1) months' notice in writing if you plan to move out (some exceptions may apply).

In turn, you can expect the following:

- Environmental Service staff available 16 hours per day (7:00am to 11:00pm).
- Building security (SALTO security system, fire alarm system).
- Nutritious meals served in a pleasant dining setting and access to snacks and leftovers throughout the day.
- Weekly thorough room cleaning performed by trained staff, using hospital grade cleaning products.
- Laundry services performed by staff, or available for tenant use.

- Private mailbox
- Individually controlled heating in each room
- Cable television in room. (Additional channels must be organized by the tenant with their service provider).
- Phone jack in each room. (Tenant must provide their own phone and service provider).
- Facility issues addressed promptly by Management and Maintenance staff.
- Quiet enjoyment.
- Use of common areas to socialize with other tenants and/or tenants' guests.

These are just a few of the things covered in your lease. If you would like your lease explained to you in greater detail, please contact the manager, Angie Brunetti (705) 869-1420 ext. 4090, or Hospital Finance office (705) 869-1420, extension 3006.

## **RENT**

### **RENT AND NON-MEDICAL SUPPORT SERVICE PAYMENTS ARE DUE ON THE FIRST OF THE MONTH.**

We request that all rent and non-medical support service payments are made through pre-authorized payment through your bank account. We will ask for your banking information at the time of signing your Tenancy agreement.

Rent and non-medical support service increases are reviewed each year, typically around December/January. You will be notified of any increases 90 days in advance of the effective date. The increase is based upon the Consumer Price Index for Ontario up to a maximum increase of 2.5%.

## **TENANT CHARGES**

Most of the services are covered under your rent or non-medical support services charge, however there are times when additional charges will be applied.

Repairs that result from normal wear and tear are not charged to the tenants. However, tenants will be charged for damages caused by themselves or their guests. Examples of things a tenant might be charged for include:

- damage to drywall, flooring and doors
- missing or broken fixtures
- garbage left in unit by the tenant when they move out
- broken windows and screens
- general damage

Other additional charges could include, but is not limited to:

- NSF fees
- Replacement of lost security fobs
- Social event costs such as Bingo fees

## **LAUNDRY**

Although laundry service is included in the non-medical support services fee, all tenants can access the laundry room to do their own laundry, if they so choose. Please ensure you observe all the laundry room regulations that are posted in each laundry room.

The Queensway employees will provide laundry services each week on a pre-determined schedule that will be arranged with you. We will launder up to 4 loads per week. If you require more loads than allowed, please discuss this with the Manager.

## **HOUSEKEEPING**

The Queensway employees will provide a thorough clean of your room each week on a pre-determined schedule that will be arranged with you. This includes dusting, window, floor and washroom cleaning. In addition, the staff clean common areas and high-touch areas daily.

## MEALS

Three nutritious meals are prepared daily by the ERHHC Food Services Department and served in Queensway Place dining room. The menu for each day is posted outside of the dining room and the menu for the week is posted on the Communication Board. The meals, which have a seasonal influence, follow Canada's Food Guide to health living.

Mealtimes are:

Meal	Time
Breakfast	8:00am
Lunch	12:00pm
Dinner	4:45pm

Although meals are scheduled at specific times, the dining room is always open for tea, coffee, snacks, etc.

We understand that there may be times when a meal will need to be consumed in your room. Please speak with the employees if you need any assistance.

We like to celebrate certain occasions such as Christmas, St. Patrick's Day, birthdays, etc. On our birthday, we will decorate your seating area, sing and serve birthday cake for desert after lunch.

## HEALTH CARE NEEDS

As Queensway Place tenants can enjoy independent living with some additional supports, it is important to understand that the employees of the Queensway Place do not provide health care.

If health care services are required, you as the tenant will need to purchase these services from an external provider. In addition, Queensway place does not provide transportation services, and staff are not able to transport you to appointments within or outside of the facility.

However, if you need immediate health care assistance, please reach out to the Queensway employee immediately as they will call 911 or your family to take you to the Emergency Department.

If daily health care services are needed, such as bathing, dressing, medication management, etc., you will need to hire these services on your own, by calling the Northeast Community Care Access Centre at 705-869-3793.

If your health deteriorates to a point where alternate living arrangements need to be made, we will help support your needs by:

- Putting you in touch with the Hospital Patient Care Navigator
- Putting you in touch with the Community BSO Coordinator
- Working with you to help with this transition

Due to the location of the Queensway Place, you will have close access to the Family Health Team and a retail pharmacy.

### **CARS AND PARKING**

Presently, parking spaces are allocated by the manager and are available to the tenant as needed. The parking is shared with the Non-Profit Housing tenants. Should the limited parking prove a problem in the future, this practice will be altered.

Only properly licensed, road worthy vehicles are allowed. Abandoned, uncertified or unlicensed vehicles will be towed at the owner's expense.

**Vehicle repairs are not permitted to be performed in the parking lot.**

### **OUTDOOR AREAS**

With such a beautiful and peaceful location, patio tables and chairs are provided by the Queensway Place and placed outside each spring. In addition, a furnished gazebo is available for your enjoyment.

Please keep in mind it is still a non-smoking area.

You are invited to put flowers and vegetables on the patio area at the rear of the building, near the gazebo. These should be placed in moveable planters for placement and convenience.

## **COMMON ROOMS**

Common rooms are for the use and enjoyment of all tenants. They can be used for tenant meetings, courses, recreation and social programs as well as religious services.

### **Guidelines for use of common rooms/lounges:**

1. Common Rooms/Lounges shall be kept open for use by all residents.
2. Individual residents may reserve the common room for personal use (i.e. large birthday party) with the permission of the manager, as long as private functions do not conflict with previously scheduled programs.
3. Alcoholic beverages are not allowed.
4. To reserve a common room for a private function, please contact the manager.
  - a) The request must be made in sufficient time to permit other residents approximately two weeks' notice of the event.
  - b) A description of the event including date and time period is to be posted on the respective bulletin boards
  - c) In all cases the person(s) making the arrangements are responsible:
    - i. setting up
    - ii. putting away furniture as required
    - iii. any damages
    - iv. leaving room in a clean condition

## **SENIOR'S DROP-IN CENTRE**

The Senior's Centre is a separate organization located across the lobby from Queensway Place. The Drop-In Centre hosts a variety of activities including

exercise classes, games, potluck dinners, presentations, etc. For more information, visit the Drop-In Centre to view the calendar schedule.

### **VERBAL OR PHYSICAL VIOLENCE/HARASSMENT**

We believe that tenants and staff have the right to equal respectful treatment regardless of their race, ancestry, place of origin, colour, ethnic origin, religion, creed, sex, sexual orientation, marital status, family status, disability, receipt of public assistance or record of offenses.

**DISCRIMINATION, ABUSE OR HARASSMENT WILL NOT BE TOLERATED.**

All incidents of verbal or physical abuse or harassment will be investigated by the manager and documented. A repeat incident will result in the tenant being issued a 7 day notice to rectify the situation or risk loss of tenancy.

### **QUIET TIMES**

Queensway Place enforces quiet times during the hours of 10:00pm to 7:00am. In order to respect other tenants right to quiet enjoyment, we ask that during this time, television volumes are turned down, doors are closed, and gatherings outside of tenant rooms are kept to a minimal volume.

### **PAINTING AND ALTERATIONS**

Tenants must not make any alterations without first obtaining written permission from the Manager. The managers permission is even required for some decorating such as:

- Installing Air Conditioners
- Hanging Pictures
- Hanging Curtains

Hospital maintenance staff will be able to assist with these requests.

Units are usually painted every 10 years. You will be notified well in advance of painting your unit. Most units are painted before a new tenant moves in.

### **MAINTENANCE AND REPAIRS**

If your unit requires repairs or maintenance, please notify the staff or manager as soon as possible. We have a system in place designed to ensure that your request is not overlooked and dealt with as soon as possible. Most repairs are done by our own staff.

Monthly inspections may also occur for such things as smoke detectors.

Except in emergencies, maintenance staff may not enter your unit without permission or must provide 24 hours' notice.

### **EMERGENCY REPAIRS**

For emergency repairs during 7:00am to 11:00pm, please contact the Queensway Staff immediately at extension 3079.

For emergency repairs after hours of **11:00 p.m. please call the hospital - the staff shall ensure that your concerns are answered as soon as possible.**

**(705) 869-1420**

Examples of **EMERGENCY REPAIRS** that cannot wait until the morning or next working day are:

- **no water**
- **no power**
- **a broken water pipe (not a dripping tap)**
- **no heat in winter**
- **smell of gas**
- **sewer backup**

## **SNOW REMOVAL**

The hospital maintenance staff is responsible for snow removal at specific areas around the building. Snow will be removed from all essential entrances and walkways, and the hospital has a contract to have snow plowing done in the parking lot, if two or more inches of snow has fallen.

In addition, snow will be removed around vehicles parked in the apartment parking lot as much as possible. This will be done as soon as other high priority areas around the hospital have been completed.

## **INSPECTIONS**

Each unit is inspected by the Manager prior to a new tenant moving in. At this time, the manager will look for any major repairs and renovations that may be needed.

Repairs and renovations such as window or bathroom fixture replacements require special budget funds and approved work is done when funds are available. This may occur after you move in and arrangement will be made with you in order to complete the work.

## **BUILDING SECURITY AND SALTO ACCESS**

You will be provided with two (2) security fobs (Salto FOBS), or electronic keys that will allow access to the outside doors, as well as rooms in the Queensway Place. If you misplace one of your FOBs, please let the manager know as soon as possible.

If you are locked out of your room, the staff will be able to let you into the unit, and your room, during the hours of 7:00am-11:00pm.

After office hours, please contact the Hospital Switchboard and a hospital employee will be able to assist you.

Queensway Place was designed with security in mind. In order to keep your building as secure and safe as possible please follow these few simple rules:

1. Never “buzz” someone in unless you know the person.
2. Report any strangers wandering around the building or knocking on doors to the Manager, or staff immediately.
3. Always close your door when you leave your apartment.
4. Do not prop open exterior doors.
5. Make sure exterior doors are shut tight after entering or leaving the building.

## **FIRE SAFETY**

### **Fire or smoke in your room or common room:**

- **Leave the room. Close the door behind you.** Flip the fire tag so only white is visible.
- Pull the fire alarm pull station on the wall at the end of the hall.(Lift plastic cover, then pull lever).
- Call 911 if possible.
- **Go to the Hospital Cafeteria or outside via back door**
- Assist other tenants as necessary

### **If you hear the fire alarm:**

- Listen for announcements of fire location.
- **If the fire is anywhere other than the Queensway Place or lobby, continue to listen for announcements** until the bell stops, or you receive further instruction.

### **Reminder:**

Fire Zone includes Queensway Place and lobby (Drop-In center, hair dresser etc.) Evacuate to the hospital cafeteria or outdoors using the exit near the exercise room, depending on fire location.

Avoid walking past the fire area during exit.

Do not try to put out the fire on your own.

Please note that your room will have one or more smoke alarms/detectors. These are checked regularly.

Mock fire drills will be held twice per year to ensure everyone understands what to do in an emergency. A meeting will be held after the drill to discuss any changes or improvements that can be made. It is important that everyone participate to ensure your safety.

## **INSURANCE**

The hospital nor the Queensway Place staff are not responsible for loss or damage to your furniture or personal belongings.

All tenants are encouraged to purchase their own tenant insurance at their own cost.

Tenants can and will be held responsible for damages caused by fire or flood if it is caused by your negligence.

## **EVICCTIONS**

Evictions as specified by the *Residential Tenancies Act, 2006* are an unfortunate but sometimes necessary action if tenants do not honor their lease. For example, if they do not pay their rent, damage their unit, or harass their neighbors.

Evictions can be appealed and may ultimately end up in a court before a judge. The Manager's office will go to court if necessary. A copy of the *Residential Tenancies Act, 2006* is available from the Manager upon request.

Please note that Queensway Place is not a health care facility. If your health requires alternate living arrangements, we will work with you during this

transition. If you refuse to leave, please note that you may be evicted to ensure your safety.

## **COMPLAINTS**

If you have a complaint against a staff member, another Tenant or any guest, please contact the manager. The manager is always willing to work with the tenants to come up with a solution that is in the best interest of the majority.

If you feel that your complaint is not being dealt with within a reasonable time, please follow up again with the manager. Some things may take time to investigate and find an appropriate solution. If after three attempts to have your complaint dealt with, please forward your complaint in writing to the Hospital administration.
