Join the
Espanola Regional Hospital & Health Centre Team
This Summer!

Looking for a meaningful summer job where you can learn, help others, and be part of a friendly community? **Espanola Regional Hospital & Health Centre** is hiring Summer Students in several departments! Whether you're studying healthcare, enjoy hands-on work, or love making people smile, we have a place for you.

✨ **Positions Available**

🔧 **Maintenance Student**
Help keep our hospital running smoothly! Assist with basic repairs, groundskeeping, equipment moves, and general maintenance tasks. Great for someone who enjoys practical work and learning how facilities operate.

🩺 **Nursing Student**
Work alongside our nursing team to gain valuable clinical experience. Support patient care, assist with daily activities, and learn what it's like to be part of a compassionate healthcare team.

🔬 **Laboratory Student**
Interested in diagnostics and science? Join our lab team to support specimen handling, organization, and lab processes while gaining exposure to hospital laboratory work.

🎨 **Life Enrichment Student**
Bring joy and creativity to patients and residents! Help organize recreational activities, social programs, and events that brighten people's days.

💙 **Why Work With Us?**
Friendly, supportive team environment
Hands-on healthcare experience
Opportunity to make a difference in your community
A summer job that actually matters

📅 **Summer Positions – Limited Openings!**
If you're motivated, caring, and eager to learn, we'd love to hear from you.
📩 Apply today and spend your summer making a difference!
